PRESIDENT'S LETTER

Another year has passed at MRPC and the Annual Meeting this year was one of the more well attended with 135 members along with some spouses and guests. The two big door prize winners were **Doug Utsch**, who chose the S&W M&P 2.0 pistol and **Rich Boettger** winning the complete flat top AR upper with a Krieger Barrel. This year's Honorary Life Membership was awarded to **Bob Sacco**, and **Rick Lay** won the WYAO Award. As for the rest of the meeting you can read the minutes in this issue of Primer Pops.

Four new members of the Board of Directors were chosen at the meeting and the Board has been reformed. Below is a list of each person and their position. John Smith, John Herdering, and Kevin Donahoe will all serve 3 year terms and John Toll agreed to finish out the one year term.

President – Ben Laux
Vice President – Dale Rossmann
Secretary – Beth Grote
Treasurer- **John Herdering**
VP Membership – John Grote
VP Rifle – Joe Beeker
VP Pistol – **John Smith**
VP Range and Grounds – **Kevin Donahoe** (Photo above)
VP Property – **John Toll** (Photo below)

The end of the year awards were handed out at the meeting as well. Those good enough to have won an award will be receiving

some MRPC certificates redeemable for match fees or MRPC merchandise. This is the same program we had last year which has worked very well and greatly simplified the membership renewal process. The certificates will be mailed out in February after all the renewals are finished. Around this same time everyone will still receive a 2019 sticker for the badge along with a calendar card. I suggest you check out the club calendar as there have been some changes with some matches being moved and some new matches being added. The club calendar will also be available on the web site.

Since we're discussing renewals the last update from John Grote the VP-Membership is that currently we're at roughly 50% renewed already and it isn't even December. That is amazing and the online renewal process John has set up has greatly reduced the work involved with renewals, so if you see him at the club please give him a big thank you for all his hard work setting this up. I know there have been a few glitches and problems as there is with any change, but for the most part it has gone very smooth.

Finally for all of you lucky enough to have Santa bring you a new firearm under the tree and want to come out to the club to make sure it works, we are going to continue the holiday Range Safety Officer program. We want everyone to have a safe, enjoyable time with their new toys so these volunteers, **Dave Cooper** and **Rick Lay**, will be around the club to help make sure everyone is safe.

If you haven't go online and renew, else keep warm and see you at the club.

Ben Laux, President, MRPC

MINUTES FOR MIAMI RIFLE & PISTOL CLUB 2018 ANNUAL MEETING

October 20, 2018

The annual meeting of the Miami Rifle and Pistol Club was held at the Receptions Meeting Hall in Loveland on October 20, 2018. The meeting was called to order at 1:10 p.m., President Ben Laux presiding.

Board members in attendance: Joe Beeker Mike Bley, Beth Grote, John Grote, John Herdering, Ben Laux, Dale Rossmann, and Jeff Timmons.

Board members absent: John Smith

Secretary's Report: Meeting Minutes for 2017 Annual Meeting were read by Beth Grote. A motion was made and seconded to accept the minutes as read. Motion passed.

Treasurer's Report: Presented by John Herdering. The club is in a good position to continue to make improvements and meet annual expenses.

Questions from the floor as follows:

1. Why are copies of Treasurer reports not available? *John H explained that a late return from out of town business caused the printing issue. He will take email addresses from anyone interested and will email out copies of the Treasurers report before Sunday evening.*
2. Since we had a profit did we file as an exempt organization? *Answer is that as a non-profit, we do not pay income taxes.*
3. Is the decrease part of the MPR – *yes, a chunk of depreciation change is on the Multi-Purpose Range.*

Motion to accept treasurers report as read, seconded, and the motion carried.

Membership Report: Jeff Timmons reported that total membership is 2145. Membership waiting-list process enacted several years ago to control membership numbers is working. More people are starting to hear about the Accelerated Wait List (AWL) and are participating in it. Motivated people may reduce their time on the waiting-list by participating in matches and workdays. The club gains active and motivated members whose safe gun handling skills have been observed.

John Grote discussed rolling out the new **Membership Management System** (MMS). He demonstrated how to handle signing up for membership on a mock-up of the online system. Each member will be able to sign on and update their own information. Renewal starts 11/1. The use of the MMS will eliminate the delays of postal mail. Four emails will come to you as a renewal reminder. The payment system is encrypted to assure credit card payment security. Members who prefer to not use their cards online may use gift cards as payment to assure security. For those who do not renew by Dec 31st, there will be four additional emails in January, and one final email in February before being dropped from the membership list.

For members without a PC there is the option of coming out to the club on designated Saturdays and renewing online at the clubhouse.

Questions from the floor were as follows:

1. What if the primary member is deceased? How does one renew? *The surviving spouse will become the primary member.*
2. What happens when a Junior ages out and takes a full membership? *This should auto update on the Junior's birthday.*
3. Will there be badges? *Yes, badges are a method of identifying club members and contain the chip that allows gate access. 2019 Stickers will be sent out this year.*
4. Will there be more than one Saturday to renew at the clubhouse? *Yes, there will be multiple Saturdays.*
5. How is payment? *NO checks or cash accepted. Credit/debit card or gift cards will be used.*
6. Is there a sign-in spot on the book? *No – we have your email.*

Presidents Report & State of The Club: Club is in a very good state, ranges have been operating safely, the new safety fence on the side of the parking lot is complete so people don't wander out on the HP range.

We've had a successful year of competitive shooting.

Annual Meeting Minutes

Jr Smallbore and Jr High Power programs have had good responses. 3 juniors went to Nationals for HP and competed. There were 3 handgun training classes held in 2018 for safe gun handling use and this will continue in 2019.

The AWL program is working well and turning out active new members.

The website has been upgraded and updated after going down in the summer and is now current with technology. It allows match directors to directly post scores.

The MMS will decrease work on VP membership. IT support for the club is being outsourced.

Leaning front gate is now fixed. Erosion control in pistol pits and bullseye ranges has been upgraded recently. New steel targets being put out on MPR.

Club dues will be increased from \$95 to \$100 to better meet expenses in 2019.

Capital planning continues; the Smallbore Range will have improvements and Fjords over creeks are being looked at as possible improvements.

Holiday safety RSO plan will be continued this year.

Photo: Work Your Behind Off Award went to Rick Lay.

Our competitive shooting program is active.

The new Member Management System (MMS) will be implemented this year beginning with renewals.

Questions from the floor:

1. Is the parking lot safety fence going to be replaced as it's orange? *It's already done – it's now a wooden fence.*
2. Will there be a website "For Sale" forum on the new site? *MMS system might be able to handle that. We'll look into it.*
3. Donald Legg inquired why is there no 400 yard berm as there are hunters who would like to sight in and practice at that distance. *The reason is that there is no competitive shooting that is done at 400 yds. Ben requested members wanting a 400 yd berm to show up at the December or January board meeting.*

Honorary Member Award – went to Bob Sacco. Mary Sacco accepted on Bob's behalf.

Work Your Behind Off Award went to Rick Lay.

New Business – Questions from the floor:

1. Mike Voto reminded everyone to vote in midterm elections.

2. Question on why members who've paid for 40-50 years of membership don't receive free memberships. Answer was that everyone gets billed except Honorary Members who've been chosen for that particular award.
3. Barry Cole presented a motion that would only allow a dues increase with a member vote instead of a board of directors vote. After discussion a motion was made to accept this new amendment. A hand vote showed 3 in favor, and the rest of the membership opposed to the amendment. Motion did not pass.

Padawan Pistol Match

MRPC is excited to introduce a new discipline called the Padawan Pistol Match. This match is geared towards pistol shooters looking to have fun while honing their pistol skills. If you like using a handgun to poke holes in paper with no earthly purpose except to see if you can, then this may be the match for you. Everything is shot at 25 yards and you can use two hands

FAQ

Question: What days and time can I shoot in this Padawan match?

Answer: Match will be held on the 3rd Sunday of each month (April – October 2019) April 21st, May 19th, June 16th, July 21st, August 18th, September 15th and October 20th 2019. Match Registration is between 8:00 AM - 8:50 AM. Firing commences at 0900 (09:00 AM).

Question: What is the course of fire for this match?

Answer : The Padawan match consist a 90 shot aggregate match which consists of a 20 shots Slow Fire Match, a 30 shot National Match Course (10 shots slow fire, 10 shots timed fire, 10 shots rapid fire), a 20 shot Timed Fire Match, and a 20 shot Rapid Fire Match. The course of fire will be shot three times totally 270 shots.

Chart: Course of fire

Yards	Stage	# of Shots	Time to Shoot	Strings	NRA Target
25 yards	Slow Fire	10 shots	10 minutes	1	B6
25 yards	Timed Fire	5 shots	20 seconds	2	B8
25 yards	Rapid Fire	5 shots	10 seconds	2	B8

Question: What pistol am I allowed to shoot?

Answer: We recommend bring a 22lr or 9mm pistol (since 22lr pistol ammo is cheap I would shoot a 22lr pistol).
