## Range & Grounds Report:

Weed whack: hill west of BR range; hill in front of MP range; sides of drive into SB range across creek. Price of OSB at Lowes noted at \$35, replaced backers on BR range. Sweep BR range of brass. Checked steel target placement and repairs needed. Contacted and scheduled articulated bush hog for clearing/cutting back foliage along wooded perimeter of the club. Reportedly this was done every other year and we skipped last year. Sweep and repaired MP range as needed. SB range ground dug 3-4" out from back side of shelter and replaced with 4" gravel to mitigate erosion from drip line. Replaced treated lumber seats on picnic tables in pits as needed. Clubhouse: clean as needed and organize for membership orientation.
