PRESIDENT'S LETTER

Hello everyone, I hope that your summer has been fantastic and you

don't have chigger bites on your ankles. It's getting to be that time of year when my attention turns to the Miami Rifle and Pistol Club Annual Meeting. All members are invited and encouraged to come and bring a chair. The date for our Annual Business Meeting is Saturday, October 15. Start time is noon. Location is the picnic pavilion next to the clubhouse. Light snacks and refreshments will be available, masks are optional. All ranges are closed Saturday October 15. Right now the agenda is pretty slim, no Constitutional or By-Law changes that I am aware of, at this time. However, if you know differently, please clue me in. Annually we elect three people to the Board of Directors. This year Greg Boothby, VP Rifle, and Chris Hiteman, VP Range & Grounds, will retire

from the Board; John Toll, VP Membership, plans to continue in his role, assuming he is re-elected. John Toll has earned my vote. We couldn't ask for a better Membership Director. The people I would like to see step up and run for the Board are people who are involved at our club; such as, competitors, match directors, set up/tear down crew. The fact is; any current member with two or more years of membership, can run for the Board. I'd be happy to answer any questions

you may have concerning Board Membership.. I can be reached by emailing me at president@miamirifle-pistol.org, or you may call the main phone number (513) 489-6311 and I will return your call as soon as possible.

From what I've been hearing and seeing, everything is running pretty well. Beeker's Gulch, the big underground drain pipe in front of the 200 yard firing line, has been silting up some which may require Joe to "climb on in". We need to trim the branches back over the main drive, all the way back and clean up some of the brush that has been piling up. I'd like to be able to keep the growth in the creek between the Multi-Purpose Range and High Power Impact area under better

Disclaimer: The articles or ads published in the Primer Pops are for the information and entertainment of the members of the Miami Rifle & Pistol Club. Any comments, complaints, kudos, or questions may be directed to the newsletter editor, (Glenn Miñano) at editor@miamiclub.org or to the current Club President.

Greg Boothby

control but options are slim and expensive. If you have ideas about how to control this more efficiently, please let me know. As most of you know we recently had all the roads and parking areas graveled. Thank you for the grace provided to the vendor as he tried to work around ranges in use. His shop was a victim of the Goshen tornado. That is one storm the club weathered admirably. Hopefully, there will be more disruption of traffic, and possibly matches in the near future, if I am

Chris Hiteman

successful in my quest to find a contractor to install box culverts at our water crossings, which has been much more difficult than I had expected. I've had several companies come out and look, but they never returned my phone calls, or emails. Hopefully, we can find someone reputable, and affordable, to help with our water crossings.

A new match has popped up on the Smallbore Range! Recreational Rimfire is now the first Sunday of the month. It involves 60 rounds plus sighters of .22 LR, shot at 50 yards, no limitations, other than the caliber of the rifle. You also get unlimited sighters during

the sight in/warm up period. Match fee is \$4.00 for members and \$5.00 for non-members. All matches are open to the public.

The third Saturday of the month, you should check out the SCSA, Steel Challenge match. This is one of my favorite matches, because there is very little standing around and plenty of shooting. From 22 pistols/ carbines, PCC, to full race guns, whatever you want to shoot will probably fit a division. Great people, easy setup/teardown, and you can shoot more than one gun.

I hope you are happy with your membership at Miami Rifle and Pistol Club. If you have questions, or think we are doing it wrong; I really would like to know. Please take the time to look me up and email or call.

John Smith, President
president@miamirifle-pistol.org

BULLSEYE PISTOL LEAGUE

Our Pistol League is held every Thursday, April thru Mid-September. Matches start at 10:00 AM, and 7:00 PM at the upper Bullseye Pistol Range. Registration closes 15 minutes before each match. Pistol League is an opportunity for you to develop your pistol shooting skills, all while learning the sport of Precision Pistol. These skills are transferable to all other pistol disciplines.

The basic shooting skills are sight alignment and trigger control refined with stance, grip, breath control, and follow-through. All shooters use these skills in other pistol matches, or at the Multi-Purpose Range. But, in Pistol League, these are the foundation for Precision Pistol shooting.

For some this weekly match may seem intimidating, but recreational shooters are welcome to this low-key event. Our experienced shooters are happy to coach and encourage

score and masking tape for repairing targets when necessary. We also offer an optional abbreviated Revolver Match for an additional \$1.00.

This NMC is fired twice. The first is fired using a .22 Rimfire pistol. The second can be fired with a .22 Rimfire or any Centerfire caliber pistol. Between each sequence, a cease-fire is called, shooters go downrange to score a target and affix a new target. The match takes approximately one hour to complete.

The optional Revolver match takes approximately 30 minutes to complete and there is only one NMC fired as outlined above.

The morning match starts at 10:00 AM followed by the optional Revolver match. The evening optional Revolver

MATCH FEES:

Morning or Evening \$4.00 non-member, \$3.00 member

Morning or Evening + Revolver \$5.00 non-member, \$4.00 member

Morning + Evening \$5.00 non-member, \$4.00 member

Morning + Evening + Revolver \$7.00 non-member, \$6.00 member

The course of fire is a National Match Course (NMC) which is as follows:

Sequence	Distance	Time	Number of Rounds
Slow Fire	50 yards	10 Minutes	10
Timed Fire	25 yards	20 Seconds	2 strings of 5
Rapid Fire	25 yards	10 Seconds	2 strings of 5

recreational shooters. Most shooters fire this match one handed, but recreational shooters are welcome to use two hands.

Your welcome to compete in as many matches as your schedule and ammunition stockpile will allow. The match fee includes targets and backing boards. All competitors must wear eye and ear protection. Empty Chamber Indicators (ECI) are a requirement. If you don't have an ECI we will give you one at no cost. Please bring a staple gun for posting your targets, a clipboard and a pen or pencil for keeping

match starts at 6:15 PM with the main match starting at 7:00 PM. Please arrive at least 15 minutes before the match to sign-in, set up your target frame, backing board and first target. Parking is available adjacent to the Firing Line. We welcome shooters of all abilities, ages and handicaps.

Hope to see you on the range to enjoy this match.

If you have any Pistol League questions please contact Kevin Donahoe: pistol_league@miamirifle-pistol.org

NEWS AND REMINDERS

Video

Intro video added to Steel Plate Shooting 7/7/22.

Varmint League

Fees for Varmint League have been raised to \$15 for summer and winter.

Precision Pistol and Bullseye Pistol League

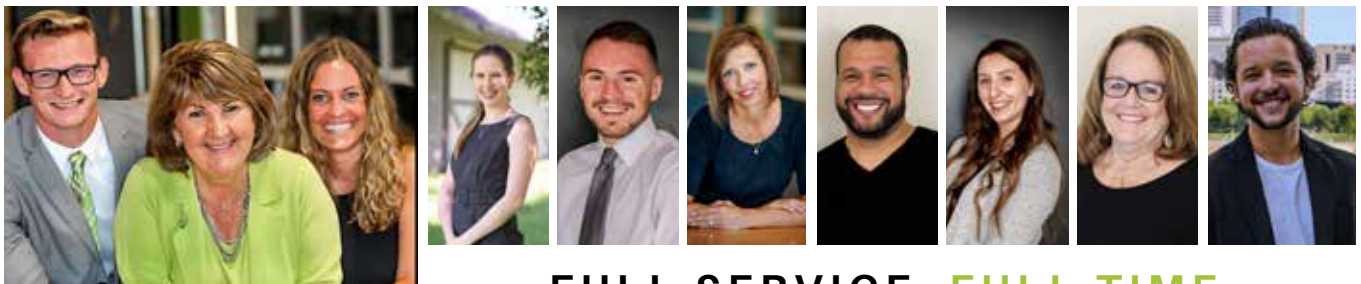

Precision Pistol and Bullseye Pistol League have nice introductory videos at the top of their pages. Same video – different titles.

Precision Pistol and Bullseye Pistol League

Pistol League and Precision Pistol had an amicable divorce. They are now listed separately and Pistol League reverted to his maiden name – Bullseye Pistol League on 5/1/22.

If you're going to pull the trigger on purchasing real estate... experience matters.
