

Miami Rifle and Pistol Club Accelerated Waiting List Credit Policy

You can only earn Accelerated Waiting List credits (AWL) by attending our club Workdays or working at our matches. Many of our matches you can both work and shoot the match. See the list below.

To earn an AWL credit for working a match you ***MUST FRIST*** email one of the Match Directors listed below to ensure they need a worker on the day you are interested in working. For club Workdays you can just show up by 8:30 am on any first Saturday of the month.
